Vol. 16, No. 274. Rushville, Indiana, Friday Evening, January 30, 1920. TWELVE PAGES TODAY

## JUST REPORT NEW CASES BY WIRE

The Health Department Will Keep  
Accurate Record of Influenza  
Cases and Deaths.

## NEW CASES ARE REPORTED

Mr. Buford Winship and Son Are  
Seriously Ill With Fluonia—  
Others Are Recovering.

The influenza situation in Rush-  
ville has showed no further develop-  
ment in new cases, according to the  
health officer, Dr. J. B. Kinsinger,  
who states this morning that no  
new cases have been reported to  
him in the last two days.

The total number of cases report-  
ed have been seven, and all but two  
these are now out of danger, and  
the remaining five are on the  
road to recovery.

Mrs. Buford Winship and little 21  
months old son, Robert, living at  
Gosnell Ave., are in a serious  
condition, having contracted pneu-  
monia from the influenza. The son  
is said to be in a critical condi-  
tion yesterday, but today both of the  
patients showed a little improve-  
ment.

Mr. and Mrs. Walter Perkins and  
who were also reported as being  
among the first to have the disease,  
are now out of danger, and Mr. Per-  
kins was able to do his town  
day.

The remaining two patients, John  
and Mrs. William Kirkpatrick,  
of North Main street, are get-  
ting along nicely and further de-  
velopments here are not expected.  
Rushville so far has been fortun-  
ate in combating the disease, and  
with officers here feel that if a  
general outbreak does not occur, the  
cases here will not be very nume-  
rous.

Dr. Kinsinger today received  
further instructions from the state  
health department, making it com-  
pulsory for him to report by tele-  
graph any death that should occur  
from influenza, and also to wire the  
state department when more than  
one case in one day is reported in  
the city.

The state department of health is  
very anxious to get exact figures on  
the situation in the state, and if an  
outbreak of more than ten cases in  
any should occur in one community,  
means will be taken to prevent a  
read, which in a short period of  
time would cause an epidemic.

This winter people in Rushville  
have been very healthy according to  
Dr. Kinsinger, which is due largely  
to the fact that the city is clean and  
the people are fighting diseases and  
growing the right kind of spirit.

Particularly was this noticed a  
few weeks ago when the city faced  
continued on Page Six

## MAKES SECOND PLACE IN STATE PIG CONTEST

Edward Wissing of Manilla Who  
Won First in County is Awarded  
Second in State.

## PRIZE IS PURDUE TRIP

Word was received today that  
Edward Wissing of Manilla won sec-  
ond prize in the State Pig Club con-  
test. Mr. Wissing will receive a  
bushel of alfalfa seed donated by  
the A. A. Berry Seed Co. of Clar-  
inda, Iowa, and the Successful  
Farming, an agricultural magazine  
of Des Moines, Iowa.

It will be remembered that Mr.  
Wissing won first in the County  
contest with a Poland China pig that  
weighed 66 pounds at the start  
about June first, gained 2.27 pounds  
daily for 145 days and weighed 395  
pounds at the close of the contest.

The pig had blue grass pasture  
part of the time and had access at  
all times to a self-feeder with mid-  
dlings and tankage. In addition ear-  
corn and skim milk were hand fed.  
Mr. Wissing's expenses will be  
paid to the Club Round-Up at Pur-  
dine in April, as a part of his coun-  
ty winnings.

## WALKER FARMERS WILL MEET

Session to be Held at Homer School  
Tuesday Night.

The Walker township Farmers  
will hold a meeting Tuesday night  
at seven o'clock at the school house  
in Homer, according to an announ-  
cement today. The main object of  
this meeting is to take up the sub-  
ject of fertilizer among the farmers  
in this township, as in other town-  
ships. M. F. Detrick, county agent  
will deliver an address on the sub-  
ject for which the meeting is called  
and he will explain the benefits  
that are to be derived from the prop-  
er kind of fertilization.

## DOUBLE PROFIT IS MADE ON SUGAR

Government Investigation Discloses  
That Jobbers and Wholesale  
Dealers Divide Profits.

## REFINERS SELL FOR 84 CENTS

Jobbers and Wholesale Men in Turn  
Make an Equal Amount and the  
Consumer Pays

Washington, Jan. 30.—Evidence  
that jobbers, wholesalers and retail  
dealers are dividing profits of more  
than 100 percent on sugar at 20  
cents a pound, was found today in  
reports to the United States depart-  
ment of Commerce.

The report showed that in Decem-  
ber 84 cents per pound was the  
price at which American refiners  
sold sugar for export from the United  
States.

During the same month prices  
charged by retail dealers averaged  
142 cents per pound showing that  
when sugar left refiners 61 cents  
was added on each pound sold.

The average price quoted was  
compiled by the labor department  
bureau on statistics obtained from  
reports of hundreds of price re-  
porters.

In many cities retail prices was  
far more than 142 cents per pound.

## REPUBLICAN EDITORS HOLD ANNUAL SESSION

Largest Meeting of its Kind is Held  
Today in Indianapolis and  
Banquet is Tonight.

## MANY FROM HERE ATTEND

The largest meeting of Republican  
editors in Indianapolis for several  
years opened today with a business  
session of the Republican Editorial  
Association, which will be followed  
in the evening by the annual banquet.  
The business sessions were held at  
the Hotel Severin and the banquet  
will be held at 8:30 p. m. in the Riley  
room of the Claypool hotel. Ed-  
mund M. Wasmuth, republican state  
chairman and George Lockwood of  
Washington, editor of the National  
Republican, were on the program  
for speeches at the preliminary  
meetings.

More than 500 republicans will  
attend the banquet, which is open to  
men and women. Fred I. King,  
president of the editorial associa-  
tion, will preside, and Simeon D.  
Fess, congressman from Ohio, will  
be the principal speakers. Governor  
James P. Goodrich and Senator  
James E. Watson will be, among the  
speakers. The women will be rep-  
resented on the program by Mrs.  
Margaret Hill McCarter of Topeka,  
Kansas.

Senator Edge, who was scheduled  
to be the main speaker, was unable  
to attend at the last minute. Sena-  
tor Watson arrived this afternoon.  
About 20 from Rush county will at-  
tend the banquet tonight.

## FEWER BIRTHS IN 1919.

Indianapolis, Jan. 30.—Births in  
Indiana decreased 5,027 during 1919  
from the number recorded in 1918  
according to statistics of the state  
board of health. The total number  
of births for 1919 was 58,690 and  
for 1918 63,717.

## LEGION WILL GIVE MEMORIAL MEDALS

District Offices Have Received Supply  
From France And Ceremonies  
Will Be Planned

## IDEA ORIGINATED IN FRANCE

Mothers or Nearest of Kin to Sol-  
diers Killed in France Will Re-  
ceive the Memorials

Homage to Indiana's sons who  
made the supreme sacrifice in the  
World War will be paid by the Re-  
public of France on Washington's  
Birthday when a Memorial Certifi-  
cate will be presented to the next of  
kin of all who died in service be-  
tween April 6, 1917 and Nov. 11,  
1918.

By arrangements with the French  
government and the War and Navy  
departments the presentation will be  
made by the local posts of the  
American Legion. A large number of  
certificates have been shipped from  
Indianapolis to Recruiting stations  
in Terre Haute, Kokomo, Commers-  
ville, Huntington, Hammond, Elk-  
hart, Anderson, Logansport, Gary,  
Michigan City, New Castle, Rich-  
mond, Muncie, South Bend, Lafay-  
ette, Fort Wayne and Marion.

L. Russell Newgent, State Adjutant  
of the Legion has instructed  
posts to get in touch with the Re-  
cruiting station in their district and  
ascertain the number of memorials  
they are to present and to assist in  
checking the names.

The Memorials will be presented  
in America to the nearest relatives  
of approximately 118,409 soldiers,  
sailors and marines who died in  
France and the thousands who died  
in this country will be memorialized  
in the same manner. The certificates  
show a group figure placed on a  
cenotaph on which is engraved in  
French the signature of President  
Poincare of France and "To the  
memory of — of the United  
States of America, who died for li-  
berty during the great War the hom-  
age of France." The inscription at  
the top is from a poem by Victor  
Hugo and translated reads: "The  
people should come to pray at the  
graves of those who died for their  
country."

The State Department of the Le-  
gion in sending out announcements  
has included suggestion of Franklin  
D'Olier national commander, for a  
fitting program to be observed in  
presenting the testimonials. Mr. D-  
Olier suggests that the posts co-op-  
erate in obtaining a large hall for  
the ceremonies and that uniformed  
men act as ushers. The order of ex-  
ercises as recommended is as fol-  
lows:

"Orchestra. (A French composi-  
tion is suggested).  
Opening remarks by Commander  
of Post.  
Reading of scripture by Jewish  
Rabbi.  
Prayer by Protestant minister.  
Orchestra (An American composi-  
tion).  
Reading of Edwin Markham's poem  
"France in Battle Flame".  
Address (Speaker to be chosen by  
Legion Post).  
Song—"The American Come".  
Pageant scene. "Columbia" wel-  
coming "LaFrance". "LaFrance"  
giving testimonials to "Columbia".  
Reading of Honor Roll.  
Song—"The Marseillaise and Star  
Spangled Banner".  
Benediction by Catholic priest".  
It is the purpose of the State  
Commander Raymond S. Springer  
of Cannonsville, to have simultane-  
ous presentations in every county  
in the State. It will be left to the lo-  
cal posts in each county to decide,  
however, whether they will hold sepa-  
rate exercises in their own com-  
munities or whether they will com-  
bine with each other and hold a  
county-wide services.

## CAVALRYMEN VICTORIOUS

London, Jan. 30.—Red cavalry-  
men have completely defeated the  
Anti Bolshevik forces in South-  
eastern Russia, a Moscow wireless  
communication today claimed. The  
Soviet government claims the cap-  
ture of 5,000 prisoners. Another  
Moscow communication today de-  
nied the report.

## WILL COLLECT THE UNPAID PLEDGES

Pledge Cards Signed by Subscribers  
For United War Work Fund  
Will Be Held Good.

## MANY ARE DELINQUENT

Campaign Closed Year Ago and State  
Officers Ask For Unpaid Cards  
and Will Collect on Them

Charles G. Newkirk, treasurer for  
the United War Work fund, has sent  
out final notices to people who signed  
pledges to contribute money for  
that cause, but who have so far  
failed to make good their contribu-  
tions.

The United War Work Fund cam-  
paign was carried on here over a  
year ago, it will be recalled. Wall  
law is the county chairman and  
Mr. Newkirk was appointed treasurer  
for the county, and is held re-  
sponsible for the collections.

On many occasions the Daily Re-  
publican has called attention to the  
delinquent contributors. When the  
pledges were secured in the latter  
part of 1918, almost a year was  
given the signer in which to make  
his full payment on the pledge, and  
this period of grace expired Decem-  
ber first.

Mr. Newkirk has also notified the  
delinquents through the mail, asking  
that they make good their pledges,  
and so far there remains quite a  
considerable amount of money in  
the county that has not been paid  
into this fund.

Mr. Newkirk received instructions  
this morning from the state depart-  
ment, to make one more attempt at  
collecting, and if this failed, he is  
to forward the subscription cards as-  
signed in 1918 to Indianapolis, where  
the state officials in charge  
will make the collection.

The unpaid pledges are considered  
the same as a promissory note,  
and are subject to collection by  
legal process the same as a bank  
collects on an overdue note.

Mr. Newkirk stated that no doubt  
many of these delinquents would  
rather make the payment to him,  
and avoid any unnecessary trouble,  
as the state officials will push the  
collections on the unpaid and past  
due subscription blanks.

In mailing out the notices, Mr.  
Newkirk said that remittance may  
be made by mail, by detaching that  
portion of the notice to be used for  
that purpose. Only a few days will  
be given for the remittance, and  
then all of the unpaid pledges in  
Rush county will be sent to Indiana-  
polis.

## JAIL BREAKERS PLAN IS FRUSTRATED TODAY

Prisoner in Los Angeles Jail Has  
Tools and Would Have Freed 9  
Including Harry S. New.

## NEW SENTENCED YESTERDAY

Los Angeles, Calif., Jan. 30.—  
Jailer George Gallagher today frus-  
trated plans for a jail delivery  
which he said would have freed Har-  
ry S. New convicted murderer.  
Gallagher discovered a cell key,  
club and files in the possession of  
Lewis Harris, convicted robber at  
the county jail.

He declared his investigation  
showed Harris and nine other pris-  
oners including New had planned  
the delivery.

Harris already has made one es-  
cape.

All hopes to secure New on bail  
or to keep him in the county jail  
instead of permitting him to be sent  
to the San Quentin penitentiary prob-  
ably will be abandoned, it was de-  
clared.

## 42 PERSONS MISSING.

Washington, Jan. 30.—The tank  
steamer, Mieler broke in two Jan-  
uary 26 and sank off the coast of  
Florida, according to advices re-  
ceived by the navy department to-  
day. Forty-two persons were miss-  
ing.

## WILL NOT SERVE SENTENCE

Richard Sipe Will Not Spend Five  
Days at Farm.

Indianapolis, Ind., Jan. 30.—Rich-  
ard Sipe, clerk of Marion county,  
will not have to serve five days in  
the penal farm on the orders of the  
state militia court marshal, Judge  
Erbank of the circuit court stated  
today.

Sipe was arrested by court mar-  
shal for the failure to report for  
strike duty in the Gary steel mills.  
Sipe's counsel intimated that the  
case would be abandoned.

## CITY CENSUS HAS BEEN COMPLETED

Anyone Who Was Missed by Enum-  
erators are Asked to Send in the  
Blank as Printed Below

## EVERYONE SHOULD BE LISTED.

Census Takers in County Will Prob-  
ably End Their Work by the First  
of Next Week.

The enumeration of Rushville has  
been completed and by the end of  
the week it is expected that the en-  
tire county enumeration will have  
been finished. An effort is being  
made by those in charge of the cen-  
sus to solicit any persons who may  
not have been visited by the enumer-  
ators.

In a proposition as enormous as  
getting the names and location of  
every resident of the county, there  
is sure to be several who are over-  
looked and therefore an appeal is  
made by Jesse Stevens, supervisor  
of the census for this district, that  
any persons who have not been seen  
by the enumerators should fill out  
the questions on the blank printed  
with this article and mail the same  
to him.

There is no need for any one not  
to feel free about giving the infor-  
mation required, as it is strictly con-  
fidential and therefore any private  
matter would never go further than  
the one to whom it is essential.

Any person who has not been  
seen by the enumerator should fill  
out the questions asked on the fol-  
lowing blank and mail the filled  
blank to Mr. Stevens.

Have you been enumerated? If  
not or if you have any doubt, fill  
out this coupon and mail to Jesse  
E. Stevens, Supervisor of Census,  
Liberty, Ind. (This blank refers to  
residence of the city.) On Jan. 1,  
1920, I was living at address given  
below, but to the best of my knowl-  
edge, I have not been enumerated  
there or anywhere else.

## FORMER PASTOR OF THIS CITY SUCCEUMS

Dr. James A. Sargent Formerly of  
This City Died at Home of  
Daughter in Maryland.

## WELL KNOWN IN THIS CITY

Word has been received here of  
the death of Dr. James A. Sargent  
of Baltimore, Md. He died at the  
home of his daughter, Mrs. Loren  
M. Edwards of Baltimore, yester-  
day morning at five o'clock at the  
age of 76 years.

Dr. Sargent is well known in this  
city having been pastor of the St.  
Paul's M. E. church several years  
ago. In the years of 1888 to 1891  
he was presiding elder of the Con-  
nersville district and from the years  
1897 to 1903 was presiding elder of  
the Moores Hill district. He was a  
pastor of the Methodist church in  
Shelbyville and also of Indianapolis.

The funeral services will be con-  
ducted tomorrow afternoon at two  
o'clock at Knightstown and burial  
will take place in the Knightstown  
cemetery.

## MAYOR ARRESTS GOSPEL SINGER

Harry Maxwell, One Time Platform  
Manager For Local Chautauqua,  
is Arrested in Virginia.

## HEARING ENDS IN A FARCE

Mayor Gets Huffy Because Maxwell  
Said he Didn't Enforce the Laws  
in the Town.

Harry Maxwell of Greencastle, a  
well known singer, and who in 1908  
was platform manager here of the  
Rush County Chautauqua, was ar-  
rested last Tuesday while filing an  
engagement as an evangelistic sing-  
er at Clarksburg, Va.

Many people here will recall Max-  
well, as he attempted to introduce a  
"Chautauqua Sing" while here, but  
the people could not fully under-  
stand what it was about. He later  
went into the evangelistic work and  
has been associated with Biederwolf  
and Billy Sunday. The motive of  
his arrest and the farcical ending  
is told in an account from Clarks-  
burg, which is as follows:

"Arrested as he was conducting  
the song service at a revival meet-  
ing in the First Methodist Episcopal  
church, Prof. Harry Maxwell of  
Greencastle, Ind., a noted gospel  
song leader, was taken to police  
headquarters, where he was ar-  
raigned before Mayor J. N. Crad-  
dock on a charge of contempt of  
court. The specific charge on which  
Prof. Maxwell was arrested was  
that he had stated, in the course of  
a pulpit talk, that vice was rampant  
in the city, and that the mayor was  
not enforcing the laws against  
gambling and immorality."

"Virtually the entire congregation  
including some women, accompan-  
ied the gospel singer to police sta-  
tion, where a trial that approached  
the farcical, was staged. Senator  
Harvey W. Harner and Attorney  
Millard P. Snider, members of the  
church board, who acted as counsel  
for the singer, were refused permis-  
sion to see the warrant on which  
Prof. Maxwell was arrested. They  
then notified the mayor that he was  
acting without due process of law,  
and he admitted that the gospel  
singer had violated no ordinance, "I  
just wanted him to come up and  
apologize," he stated.

"On advice of counsel Prof. Max-  
well refused to offer any apology  
and the mayor announced that the  
incident was closed." Later in the  
night the mayor visited Prof. Max-  
well's hotel and sought a personal  
interview. This was refused, and the  
gospel singer left a few hours later  
for his home in Greencastle.

"Members of the church board is-  
sued statements in which they de-  
nounced the mayor's action."

## SALVATION ARMY HAS GOOD SUCCESS IN DRIVE

A Total of Thirty Prisoners Have  
Been Captured at the Salvation  
Army Hall.

## MEETING CLOSES SUN. NIGHT

Heavy bombardment was heard  
both last night and the night before  
by those living in the neighborhood  
of Pearl and Water streets. On  
both occasions it was the local in-  
fantry of Salvation with the aid of  
the heavy artillery from Shelbyville  
making an assault on the enemies  
trench at the Salvation Army church  
says the Captain of the Salvation  
Army, J. A. Tench.

Nor was their fight in vain, for  
with that spirit that knew no defeat  
on both occasions two prisoners  
were captured, making a total of 30  
prisoners for the drive.

Now that the battle is about over  
and in the camp is heard the shout  
of victory, it is expected that a large  
number of the Rushville Home  
Guards will appear on the front line  
for active service at the front. Sun-  
day the drive will start sharp at ten  
o'clock and continue throughout the  
day.

**BILIOUSNESS**

Caused by

**Acid-Stomach**

If people who are bilious are treated according to local symptoms they seldom get very much better. Whenever relief is obtained is usually temporary. Trace biliousness to its source and remove the cause and the chances are that the patient will remain strong and healthy.

Doctors say that more than 70 non-organic diseases can be traced to an Acid-Stomach. Biliousness is one of them. Indigestion, heartburn, belching, sour stomach, bloating and gas are other signs of acid-stomach. EATONIC, the marvelous modern stomach remedy, brings quick relief from these stomach troubles which lead to a long train of ailments that make life miserable if not corrected.

EATONIC literally absorbs and carries away the excess acid. Makes the stomach strong, cool and comfortable. Helps digestion; improves the appetite and you then get full strength from your food. Thousands say that EATONIC is the most effective stomach remedy in the world. It is the help YOU need. Try it on our money-back-if-not-satisfied guarantee. At all druggists. Only 50c for a big box.

FOR YOUR ACID-STOMACH

**WOMEN ARE KEEPING BOOKS IN 1920 THRIFT CAMPAIGN**

Feminine Army Starts Three Months' Test to "Pave Way for Safe Investment."

The savings division of the treasury department is depending on the women of the nation not only to help bring down the high cost of living, but to establish the permanent practice of saving money and material, and finally the investing of these savings in safe securities, such as War Savings stamps and \$100 and \$1,000 Treasury Savings certificates.

Under the signature of William Mather Lewis, director of the savings division, a letter has been sent to the presiding officers of all the principal women's organizations of the country. The general plan for the work of the women in 1920 has been worked out in a national way by Mrs. Grace G. Bartlett, vice director in charge of women's organizations.

Supplementing the letters sent out by her and Director Lewis, a similar letter has been sent to all the women's organizations in the five states of the Seventh district that have no national thrift chairmen. In his letter Director Lewis said in part:

"The influence of women in working out the great economic problems is invaluable. It is in the power of women to regulate the use and control the price of the necessities of life. They are the buyers. They must also be the savers. When this power is applied in a concentrated way, women will be one of the greatest factors in solving the present problem of the high cost of living and in establishing the permanent practice of saving money and material. The savings division called into conference the national thrift chairmen of the following women's organizations: Association of Collegiate Alumnae, Daughters of the American Revolution, General Federation of Women's Clubs, National Catholic War Council, National Congress of Mothers and Parent-Teachers' associations, National Council of Jewish Women, National Federation of Business and Professional Women's Clubs, National League for Women's Service, Women's department, National Civic Federation, Young Women's Christian association.

"It was agreed that these organizations should be asked to make a test among their membership of the wisdom with which money is spent. This test was to be started January 1 and continued as an experiment through February and March. The plan is as follows:

"January—To keep accounts. Each individual will be asked to keep an account of her daily expenses, grouping them under such items as rent, food, clothing, household service, amusements, incidentals, etc.

"February—To save. Each individual will analyze the January expenses and make an effort through information gained in January to save a certain amount through conservation without hardship.

"March—To invest. Each individual will make a calculation of how much was saved on living expenses in February over an equal number of days in January. In this month an effort will be made to encourage the members of these organizations to invest their savings in government securities."

**The Banker Wouldn't Quit!**

When the sawmills moved out of a certain Northern woods town it looked like the finish of business there for everyone—farmers, merchants, banker. But the banker refused to quit. "If I can make dairying and poultry-keeping profitable my bank will make money," said he. The story of his efforts and the money-making prosperity that has come to his community is told in the current issue of

**The COUNTRY GENTLEMAN**

This bank aims to extend the same sort of service to this community. We should like to know every farmer hereabouts—to help every farmer make money. Come to us with your problems and let us see if together we cannot boost your bank account. As a step towards that prosperity, we urge you to read each week THE COUNTRY GENTLEMAN. What-

ever line of farming you are following—livestock, dairying, poultry, grain, fruit, truck, corn, bees—there is something for you each week in the many pages of the Great National Farm Weekly. If you authorize us, we shall be glad to charge your account \$1.00 for a year's subscription. Or, better still, come in; let's talk it over personally and get acquainted.

**WORKS HARD TO AVERT FLU EPIDEMIC**

**Government and City Health Officials Warn People to Keep Clean.**

**Stay Away from People with Coughs and Colds.**

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply.

He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heal the inflamed membrane in a few days.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Pour three-quarters of an ounce of Mentholized Arcline into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Arcline in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

—Mr. and Mrs. George Helm were among the passengers this morning to Indianapolis, Mr. Helm is going to attend the Republican Editorial banquet tonight at the Claypool hotel.

**Walking Under Difficulties.**

"Believe me, I suffered from stomach and bowel trouble right. This weakened me so that I could scarcely walk. I could do no work. This was my condition when I started taking Mayr's Wonderful Remedy on the advice of a friend. Now I am working every day and feel better than I ever did in my life. It is the only medicine that ever touched me. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allay the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At Druggists Everywhere. (Adv.)"

**OPEN FILM FIRE ON ANARCHISTS**

**Catholic Council Lays Barrage to Teach True Americanism in Dark Quarters.**

Washington.—Training thousands of batteries of movie machines on the quarters where ignorance and illiteracy hide true American democracy from nine million foreign-born or un-informed people, the National Catholic War Council has begun a nation-wide campaign of civic education that will enlist twenty thousand workers. Behind a barrage of patriotically educational films, fitted for the comprehension of every foreigner and of every illiterate, regiments of minute men, trained to the language and customs of these classes, will fight to bring to them the real meaning of democracy, their rights and obligations under the American democratic government and the fundamental principles of industrial justice. Until every district, darkened to true Americanism, is so enlightened that Bolshevism cannot breed there the civic campaigners of the National Catholic War Council declare that they will never let up in this most vital of all their post-war activities.

From the decks of a fleet of auto-trucks that will carry a "camionette" film service to the most isolated groups of miners and woodsmen as well as from every available platform in the congested quarters of the larger cities, the minute men of this movement have already begun to drive home the truths of democracy in the tongue and vernacular of their various audiences. Their itinerary is based on a special survey of the location of the five million immigrants who know little or nothing of America and its language and of the four million native-born illiterates. Between specially prepared patriotic, civic, social welfare and vocational reels, interspersed with clean comedies, stirring talks on the history of the struggle of democracy in this land and among other nations, on the American's rights and obligations and on vocational opportunities and industrial justice will be given in the language of the hearers.

Although intensive drives to reach into the heart of the foreign and illiterate quarters throughout this country will be one of the main objectives of the civic educational campaign of the National Catholic War Council, its reels and speakers are also prepared to offer to all English-speaking audiences, such as groups of women who may desire more information of American civic fundamentals, comprehensive courses on the workings of our government. In every case these entertainments will be brought as close as possible to the people and will be entirely free and open to every one who cares to attend them. Beyond a preliminary course of six weeks and a continuation course of twenty-four weeks with films and speakers the National Catholic War Council is prepared to offer simple text books to all its auditors who are interested.

Summarizing the objects of their new civic campaign, leaders of the National Catholic War Council declare that "in civic education the following points should be emphasized: (1) All the people, both native and immigrant, should know what democracy means. (2) They should be acquainted with their rights under democracy. (3) They should have a knowledge of their obligations in a democracy. (4) They should be acquainted with the simple workings of the government. (5) They should know how to invoke the powers of the government for protection and understand the voting privilege. (6) Finally they should be acquainted with fundamental principles of industrial justice."

**KENNEDY, FIREMAN IS ILL**

Herman Kennedy Develops Pneumonia From Fire Exposure.

Herman Kennedy, member of the fire department, is critically ill with pneumonia at his home in East 6th street. Kennedy, it will be recalled, was injured in the fire on January 10, which destroyed the C. G. Clark & Sons flouring mill, when he ran a nail into his foot. He developed a serious cold also at the fire, and has never been able to resume his duties. His cold has developed into pneumonia, and today he was critically ill.

a life boat containing several members of the crew had been picked up by a steamer about 125 miles off the Florida coast.

The Pleasant Ridge Epworth League will hold an exchange in the Wiltse Five and Ten Cent store tomorrow morning from 9 to 12 o'clock.

**35,000 HAVE JOINED LEAGUE OF PRAYER**

"General revivals are being held in many United Presbyterian churches from as far east as Vermont and as far west as Washington and California," declares Dr. J. Knox Montgomery, one of the leaders in the New World Movement, in summarizing the results of the campaign to build up a league of prayer and a society to restore worship in the home.

DR. J. KNOX MONTGOMERY

"It is too early to expect an exact detailed report on membership in the prayer league and family altar league, but we have received more than 35,000 pledges of membership in the prayer league and the pledges of membership in the family altar league run well into the thousands.

"There is every indication that both campaigns have been successful and that the church will have in its nationwide evangelical campaign in January virtually the whole membership working to reach the goal of a 12 per cent increase in membership in each congregation."

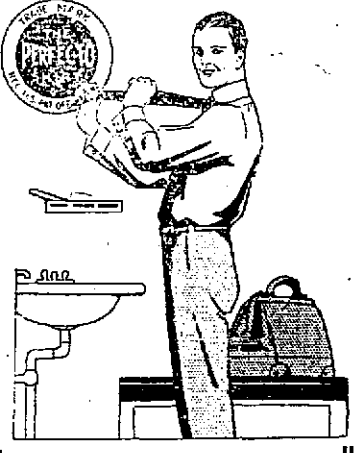

There are said to be forty-eight distinct diseases to which the human eye is liable. No other organ of the human body is subject to so many.

**DEWS OF EVE**  
No More Gentle Than "Cascarets" for the Liver, Bowels

It is just as needless as it is dangerous to take violent or nasty cathartics. Nature provides no shock-absorbers for your liver and bowels against cadomel, harsh pills, sickening oil and salts. Cascarets give quick relief without injury from Constipation, Bilelessness, Indigestion, Gases and Sick Headache. Cascarets work while you sleep, removing the toxins, poisons and sour, indigestible waste without griping or inconvenience. Cascarets regulate by strengthening the bowel muscles. They cost so little too.

**PREVENTION IS BEST CURE FOR INFLUENZA SAY PUBLIC AUTHORITIES**

Every Possible Effort is Being Made in Affected Localities to Stop Further Spread of Disease.

**OUNCE OF PREVENTION WORTH POUND OF CURE**

Persons Who Catch Colds Easily and Who Are in Run-down Condition in Greatest Danger.

Influenza continues to spread; and the disease is now prevalent over many sections of the country.

It has baffled the medical skill to an unusual extent, and although it has been held in check in most localities, it has gotten beyond control in others. The germ has eluded bacteriologists, and medical men now agree that the best cure is prevention.

The surest prevention is to build up the bodily powers of resistance, and to get the system into the best physical condition possible. It is now universally agreed that it is possible to perfect the powers of resistance of the human system so that it can throw off almost any infection, not excepting influenza.

It has been observed that persons who are weak and run down are more susceptible to the disease than persons who are in robust health, and if you are in a generally run-down condition and below normal weight this warning should be heeded promptly. If you are in this condition nothing on earth will build you up and strengthen you like Tanlac, which contains the most powerful tonic properties known to science. As a reconstructive tonic and system builder it is without an equal and contains the very elements needed by the system to give you fighting strength to ward off disease germs. This is a statement of fact and is supported by the recognized authorities and reference works including the U. S. Dispensatory, the Encyclopedia Britannica, and also by standard text books used in the schools of medicine. This statement is further proven by the fact that millions of persons who have actually taken Tanlac have testified to its extraordinary merit as a medicine and by the fact Tanlac is today having the largest sale of any tonic on the American market.

Tanlac is also an ideal strengthening tonic for persons who are suffering from the after-effects of colds, influenza, ordinary grippe, and bronchial troubles, and hundreds of thousands are using it daily with most gratifying results.

In connection with the Tanlac treatment it is very important to keep the bowels open by taking Tanlac Laxative Tablets, samples of which are enclosed with every bottle of Tanlac.

Tanlac is sold in Rushville by E. B. Johnson & Co.; in Mifflin by Dallas Copper; in Manila by Geo. J. Inlow; and Arlington by Mrs. L. T. Davis.—(Adv.)

**HAMBY IS ELECTROCUTED Yellow Mustard For Rheumatism**

Willing to Try Anything Once so Goes to Death Chair.

Ossining, N. Y., Jan. 30.—Gordon Everett Hamby, convicted of murder went to his death last night in the electric chair at Sing Sing prison. His body was unclaimed and was buried here today.

As he left the death house he called out to his companions: "Goodbye, fellows! I always liked to try everything once."

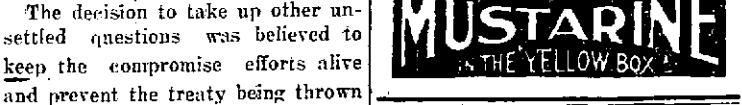

The murderer gave three letters to the warden, asked him to mail them and keep the addresses secret.

**WILL CONTINUE DISCUSSION**

Article 10 Will be Left Untouched For Some Time.

Washington, Jan. 30.—Indefinite continuation of the bi-partisan treaty discussion was forecasted today when it was announced that the conferees would not discuss Article 10 at today's session nor until Senator Hitchcock returns from a week's trip to Nebraska. Hitchcock left today.

The decision to take up other unsettled questions was believed to keep the compromise efforts alive and prevent the treaty being thrown again into the senate.

**Sap and Salt**

By BERT MOSES

Decency is the final test of civilization.

Usually the strawberries are shorter than the cake.

A tip debases the man who gives and the man who takes.

Honors are fine so far as they go, but they don't pay board bills.

Hez Heck says: "When a handsome man marries a homely woman, you can guess the first time who has the money."

Only one man ever read an insurance policy clear through, and he didn't understand anything in it except what it cost him.

**Amusements****Coming to the Mystic Theater**

Three of the huskiest men in the West were selected for Frank Mayo to fight in "The Brute Breaker," the Universal offering at the Mystic Theatre tonight. The star shares honors with Kathryn Adams in the production, the scenes of which are laid in the north woods in the days of the man-killing log drives.

Rose Peters trusted her employer and when he failed her, she took the law into her own hands and then fled to her father, a relentless pursuer of all evil, who placed duty above love. And the father, who loved the motherless child better than life—what was he to do? His duty as an officer of the law, or protect the name, and perhaps the very life of his daughter? What he did do and what she did, is portrayed with tremendous dramatic effect in "From Headquarters," the Vitaphone feature, starring Anita Stewart, and which will be seen in the Mystic Theater on Saturday.

"From Headquarters" is declared to be the greatest police story ever told and the portrayal of the role of Rose by Miss Stewart is undoubtedly her most effective role, giving her greatest opportunity to display her emotional talents. Ralph Lee directed the picture and the supporting cast is of exceptional balance. A Harold Lloyd comedy will also be shown Saturday.

**Hart Picture Again Tonight**

The William S. Hart picture, "John Petticoats" played to a big house last night at the Princess, and will be repeated tonight.

Unlike most Hart pictures, "John Petticoats" is said to abound in comedy, in addition to telling a dramatic story. Winifred Westover is the leading woman, and the picture was directed by Lambert Hillyer.

A skein of wool usually picks the most inopportune time for falling out of a knitter's lap. An instance of this is shown in Mae Marsh's newest Goldwyn Picture, "The Racing Strain", which comes to the Princess Theatre tomorrow. Miss Marsh, as Lucille Cameron, gives a Red Cross lawn fete at her Kentucky estate. Wearing by her efforts, Lucille goes to a secluded nook in her garden to seek relaxation in finishing a sweater for a soldier friend.

Too popular to be alone for any length of time, Lucille quest for quiet suffers two intrusions. First comes Gregory Haines, one of her suitors. He is followed by "Big Jim" De Luce, a horseman and stock broker who has long pestered her with his attentions. They seat themselves on either side of Lucille, but she goes on with her knitting, paying little attention to her companions. The rivals look daggers at each other, waiting to see on which of the two Lucille casts her first smiling glance. She senses their feelings and looks at neither, when suddenly the skein drops from her lap.

Haines and De Luce plunge simultaneously for the ball of wool. Both grab it with one hand and with the other fight to gain full possession. Lucille laughs heartily at the sight of two men fighting on their knees, but her demeanor changes when she sees her wool is torn and soiled. She grabs what is left of it and, after scolding her two suitors, rushes into the house, leaving the combatants to batter each other in a lost cause.

**SAVINGS CERTIFICATES OUT; INVESTMENT VALUE SHOWN**

"They Always Are Worth More Than You Paid for Them," Slogan of 1920.

"They are always worth more than you paid for them."

With this as their slogan representatives of the War Savings organization of the Seventh federal reserve district are touring the states of Illinois, Indiana, Iowa, Michigan and Wisconsin showing banks, corporations and individuals the high investment value of the 1920 Treasury Savings certificates of \$100 and \$1,000 denominations. This form of government security has been placed in local banks, and for the financial prosperity of the nation and the individual, the government is urging a wide distribution.

The Treasury Savings certificates, which are virtually "Baby" bonds, bear interest at a rate a little better than 4 1/2 per cent. The price of the \$100 certificates for January is \$82.40; February \$82.60. The price increases 20 cents a month. The \$1,000 certificates may be purchased in January for \$824 and in February for \$826. This class of security increases \$2 a month.

Here are some of the attractive features of the \$100 and \$1,000 certificates:

They carry valuable tax-exemption privileges.

They cannot depreciate in value, not being subject to market fluctuations.

They are always worth more than you paid for them.

They yield a substantial income, actually more than 4 1/2 per cent.

They are short term, maturing January 1, 1925.

They represent absolute safety as obligations of the United States government.

A change has been made in the terms of the 1920 certificates. They are redeemable at the treasury beginning with the second calendar month after the month of purchase without the ten days' demand required by the terms of the 1919 certificates.

A special issue of Treasury Savings certificates has been put on the market for conversion purposes. It is possible for the holders of 1918 and 1919 War Savings certificates to convert them into these special Treasury Savings certificates, whose terms and conditions are substantially the same as those of the 1920 issue except for their earlier maturity dates.

Holders of one or more War Savings certificates of the 1918 or 1919 issue which bear War Savings stamps having a total maturity value of \$100 or some multiple of a hundred dollars—\$200, \$300, \$400, etc., may exchange the certificates for the same maturity value of Treasury Savings certificates of the corresponding issue. When two or more War Savings certificates of the same issue are offered for exchange, each one need not bear its full complement of 20 War Savings stamps, provided the total value of the stamps aggregates \$100 or some multiple of it.

Treasury Savings certificates taken in exchange may be made out in favor of new and different owners, if the owners of the War Savings certificates so request.

**1,000 MINUTE MEN**

TO SPEAK FOR N. W. M.

One thousand minute men will be organized to speak in the New World Movement in the United Presbyterian churches all over the United States. The organization will be made up of the most prominent business men in the congregations who will be asked to pledge themselves as New World Movement minute men.

Physicians of Spain are by no means well paid, and they are expected to attend the poorer classes without charge at all.

**"ONLY ONE THING BREAKS MY COLD!"**

"That's Dr. King's New Discovery for fifty years a cold-breaker"

NOTHING but sustained quality and unflinching effectiveness can arouse such enthusiasm. Nothing but sure relief from stubborn colds and onrushes new ones, gripe, throat-tearing coughs, and croup could have made Dr. King's New Discovery the nationally popular and standard remedy it is today. Fifty years old and always reliable. Good for the whole family. A bottle in the medicine cabinet means a short-lived cold or cough, 60c and \$1.20. All druggists.

**Stubborn Bowels Tamed**

Positive in action, yet natural, comfortable, pleasant, Dr. King's New Life Pills are a boon to bowels that need assistance. They eliminate fermenting waste and put the system in normal shape. All druggists—25c a bottle.

**CALUMET BISCUITS**—light, flaky mounds of goodness—capped with a tender, done-to-a-turn crust. You'll admit that no other biscuits can compare with them—the minute the first batch comes from your oven.

**CALUMET Baking Powder**

Makes Most Palatable and Sweetest of Foods

—because it is absolutely pure in the can and in the baking.

—because its leavening strength never varies, never weakens. It is always the same, and results are always the same—always the finest.

Absolute certainty—more than the usual rising force, with the moderate price you pay for CALUMET—make it decidedly the most economical of leaveners.

You save when you buy it. You save when you use it. You save materials it is used with.

A perfect product of the world's largest, most up-to-date and sanitary Baking Powder Factory.

Contains only such ingredients as have been officially approved by U.S. Food Authorities.

Try it! Drive away bake-day failures. Reduce baking expense. Have most delicious and wholesome bakings.

**BEST BY TEST**

Remember when you buy Calumet, you get a full pound, if you want it. 16—not 12 ounces.

**Our Daily Laugh**

New and Bright Yarns That Will Tickle You and Will be Relished by Your Friends When You Repeat Them.

A squad of the Buffalo Division were mixed in with the early days of the Argonne fight and after five hours of bombardment there wasn't a coon who had forgotten to die seven times. Big Foot Robinson, becoming confused, ran into a chicken and grabbed a tree, at first thinking it a Hun. Robinson felt religion coming his way and got down on his knees and opened up a fervent prayer for aid and courage—"Oh, Lord," said he, "send down help. Ah needs friends, maminishun an' cattridges an' speed." At that instant a hanging branch of the tree came down with a crackle and Robinson's head met the blow. He tottered over. He arose saying,

"Honest to goodness, Lord, cut out dat jokin' Ahm serious, Ah is."

**CASH PRIZE OFFER:** A prize of \$100 will be awarded each contributor of a joke to OUR DAILY LAUGH which we accept. Only new jokes, those never before published, are considered. Contributions will not be returned unless stamped envelope, bearing your address, is enclosed. Mail stories to contest editor, Daily Republican.

**X-RAY SPECIALISTS MEET**

Sessions Will be Most Important Ever Held, Say Experts.

(By United Press.)

Atlantic City, N. J., Jan. 30—Foremost x-ray specialists from all over the country gathered here today for the first post-war convention of the American Roentgen Ray Association.

Experts said the sessions, which will last two days, will be the most important ever held, because of the tremendous advance made in the medico-surgical profession in base hospitals across seas during the war.

## DOUBLE-HEADER WITH SHELBYVILLE TONIGHT

Teams From High School Will  
Play Tonight in What is Ex-  
pected to be Good Game.

### ALS HOPE FOR REVENGE

That is expected to be one of the  
basketball games of the season  
take place here tonight when  
local high school will meet Shel-  
byville in a double-header, both the

first and second teams from the two  
schools clashing.

Shelbyville has a good team, and  
it will mean real team work and bas-  
ket shooting for the locals to win,  
but Coach Sutton is of the opinion  
that the teams will show up in great  
form tonight, and will take each of  
the two games.

Shelbyville defeated both of the  
local teams by big scores at Shelby-  
ville early in the season, and the  
boys here have shown considerable  
improvement since then, and it will  
be an almost new team that will  
meet the Shelby county bunch to-  
night. The first game will be called  
at 7:30.

## With The Churches

—Arlington Methodist: Bible  
school, 9:30 a. m., Sumner Mitchell  
superintendent. Epworth League and  
class combined, 10:30, Miss Eller  
leader. No service at night.

—Salvation Army church—Meet-  
ing tonight at 7:30 o'clock. Sunday,  
special meeting all day. Meeting next  
week on Tuesday, Thursday and Fri-  
day evenings, beginning promptly at  
7:30 o'clock.

—Elder C. W. Ratcliff of Con-  
nersville will preach at the Primitive  
Baptist church in North Morgan  
street Saturday night at 7, Sunday  
morning at 10:30 and again at 7 in  
the evening. All are cordially in-  
vited to attend these services.

—Homer Christian Union church  
—Sabbath school at 10 a. m. sharp.  
Everyone is urged to be present.  
Preaching at 11 a. m. and at 6:30 p.  
m. Everybody owes it to themselves,  
to their family and to their God, to  
attend Divine worship. Come meet  
with us this Sabbath. Rev. A. F.  
Polk, minister.

—Services at St. Mary's Catholic  
church Sunday are as follows: Com-  
munion at 6 o'clock; Low Mass at  
8 o'clock; High Mass, 10 o'clock;  
Instructions at 2:30; Vespers and  
Benediction at 3 o'clock. Week-day  
Masses at eight o'clock, with the  
Rev. Father Francis Schaub in  
charge.

—Pleasant Ridge Methodist: Bible  
school 9:30 a. m., B. F. Stiers su-  
perintendent. Sermon by the pastor  
10:30 a. m. At 2:30 p. m. the Dis-  
trict Superintendent will lead in the  
communion service and preach after  
which he will hear reports from  
members of the Quarterly confer-  
ence. No service at night. Epworth  
League Tuesday 7:00 p. m.

—First United Presbyterian  
church: Bible school at 9:30 a. m.;  
public worship at 10:45 a. m.; ser-  
mon subject, "The Stewardship of  
Life". Young people's meeting at six  
o'clock, leader Miss Burnett Black.  
The pastor will preach at seven o-  
clock, subject "The Joy of the An-  
gels." Congregational prayer meet-  
ing Thursday evening at 7:30 o-  
clock. All are cordially invited to  
attend these meetings.

—The United service at the Main  
Street Christian church commences  
at 10 o'clock promptly with the first  
period for Bible study. At the  
preaching hour the pastor will speak  
on "The Christian's Concern," and  
at the evening hour on "Hardening  
the Heart." Mid-week service Thurs-  
day 7:30. Orchestra and chorus  
choir at the Sunday evening service.  
Remember the suffering Armenians  
in your offerings Sunday.

—First Baptist Church. Services  
for next Sunday will be as follows:  
Sunday school at 9:30. Public wor-  
ship at 10:45 a. m. We hope to see a  
good attendance of all the members  
of the church at this service. The  
Lord's Supper will be observed and  
all who can should attend. Evening  
service will be at seven o'clock.  
Theme for the sermon "How Sin  
over Steps Itself". The public is in-  
vited to all of these services.

—First Presbyterian church, Cor-  
ner Morgan and Third streets. Sab-  
bath services as follows, 9:30 Bible  
school; 10:30, Morning Worship.  
Sermon, "Fields White Unto Har-  
vest." 7:00, Evening Service. "The  
Greatest Sinner in Rushville." will  
be the subject of the evening mes-  
sage. The orchestra will play in the  
evening. Only one week more and  
the special services will begin. Help  
make the Sabbath services count for  
much. A cordial welcome is extended  
to all.

—St. Paul's M. E. church: Sun-  
day school at 9:30 o'clock. Morning  
worship at 10:30. sermon by the  
pastor, subject "The Power That Is  
In God." Junior League at 2:30  
o'clock. Epworth League at six  
o'clock, leader Miss Anna Gillespie.  
at seven o'clock the sermon will be  
delivered by Dr. J. M. Walker, D.D.,  
District superintendent. The second  
quarterly conference will convene  
immediately after the evening ser-  
vice. All official members are urged  
to be present.

## Where Great Editors May Be Made

"PRINT SHOP" AT INDIANA UNIVERSITY

While other members of the fac-  
ulty are "teaching the young idea  
how to shoot," Prof. J. W. Piercy,  
head of the department of Journalism  
of Indiana University is training a  
class of forty or more young men and  
young women in the intricacies of  
newspaper work. The print shop is  
well equipped and issues the Indiana  
Daily Student—fondly called the "W.  
G. C. D."—which, being interpreted  
means "The World's Greatest College  
Daily." One of the greatest honors  
that can come to a student at I. U.  
is to attain the exalted position of  
editor-in-chief of the Daily Student.  
The position this year is held by  
Frank H. Level while G. Dallas New-  
ton is managing editor and Miss  
Rowena Harvey is city editor. Mem-  
bers of the staff of the Daily Student  
are taking a vigorous part in boost-  
ing the University's Centennial pro-  
gram for next spring.

# Makers of Brunswick Tires

Pioneers in Rubber Compounding.

Mr. Fred W. Kleis, representing The Brunswick-Balke-Collender Co., was recently requested to give the readers of The Daily Republican some information about the Brunswick Tires. "Your Company," said the inquirer, "made the best Billiard Tables in the world when my father was a boy, sixty years ago, but where and how did you get into the manufacture of automobile tires, which can hardly be considered a subsidiary line with cabinet work, slate quarries and elephant tusk ivory." "Your inquiry," said Mr. Fred W. Kleis, is not unusual. Many of our customers do not know that the founders and officials of our company have made a study of rubber since 1857, at which time Michael Phelan secured his first patent on a rubber compound for billiard table cushions. Mr. Phelan was associated with H. W. Collender, who later became President of The Brunswick-Balke-Collender Co.

In 1867, Mr. Collender brought out and patented his improved cushion. This cushion was used almost exclusively throughout the United States up to 1880, when Mr. M. Bensinger, son-in-law of J. M. Brunswick, and one of the later Presidents of The Brunswick-Balke-Collender Co., made an improvement in the compounding of the cushions invented by his predecessors Phelan and Collender, and produced the present day Monarch Billiard Cushion. This has been slightly changed in shape of the mold since it was introduced in 1880, but the compounds under a secret formula are essentially the same.

Many other styles of Billiard Cushions were devised and perfected subsequent to 1880 by Mr. Bensinger and his successors. The original formulas by the way are one of the prized heirlooms of the House of Brunswick.

When the Pneumatic Automobile Tire first came into use, this Company who had previously established a rubber manufacturing plant for the making of Billiard Table Cushions and different kinds of hard rubber goods at Muskegon, Mich., gave serious thought to taking on the manufacture of Tires. The first Tires produced in the Muskegon factory were built in 1909, but the company did not get into actual production until 1916, at which time plans were perfected to expand the rubber manufacturing business and the following year the Brunswick Tire and Tube was introduced. Since that time its progress has been rapid. Thus it may be seen that the House of Brunswick was in a small way a pioneer in the compounding of rubber many years before Pneumatic Tires were devised.

Ground will be broken in the early Spring for building additions, which will quadruple the present output, so that it may be said that the seeds which were sown by the rubber patents of Michael Phelan in 1857, H. W. Collender in 1867, and M. Bensinger in 1880, have sprung forth into a new life and broader and bigger possibilities than were ever dreamed of by the founders of the concern when they commenced their experiments in rubber fifty or sixty years ago.

## WHISKEY CANNOT BE SOLD

Druggists or Physicians Not to be Granted Permit.

Indianapolis, Ind., Jan. 30—Whiskey cannot be sold in Indiana, Charles Orbison, state prohibition commissioner ruled today. He announced that no permit for the sale of liquor would be given druggists or physicians will be given out in Indiana.

Orbison said he was taking this stand because the action would conflict with the state laws.

—Mr. and Mrs. Jack Stonecipher of Richmond were here today being called here on account of the illness of Mrs. Buford Wanship and son Robert, who are ill with influenza at their home in this city.

## REGULAR DEALERS ONLY TO SELL SUGAR

State Authorities Restrict Sale to Those Who Handle The Article Regularly

### LEVERAGE ON WHOLESALERS

A ruling has been sent out from Indiana by the state authorities in charge restricting the sale of sugar to merchants who handle it regularly and forbidding its sale by dealers who use it as a leverage to get other business.

Receipts of this ruling locally will have little effect as it is said to aim principally at the jewelers and furniture store dealers who have been selling sugar at reduced prices for the purpose of drawing trade to their stores. It is well known that this was a common practice in Indianapolis and other large cities. The ruling also forbids the handling of sugar in wholesale lots by retailers who have no license as wholesalers. This ruling was designed to protect the wholesalers as the provisions of the McNary bill require that all wholesalers have a license to do business. It would obviously be unfair to have merchants not in the regular business of handling sugar in wholesale lots who could do this business at will without the necessity of applying for a license.

Wholesalers hereafter will be required to sell only to responsible retailers according to the provisions of the order.

The price of sugar as set by the fair price commission at the present time ranges from 16 to 22 cents per pound, according to the quality purchased.

### PLAN MEMORIAL BUILDING.

It is possible that during the Centennial Week, May 29 to June 4, in the spring, a campaign will be held among the members of the alumni and student body of Indiana University for raising of funds to be used in the erection of a Memorial Building.

The matter of holding such a campaign was taken up in the meeting of the trustees of the university recently. It was decided at that time that such action should only be taken by the university in the case that it be a popular one among the members of the alumni and student body.

## EASES A COLD

### WITH ONE DOSE

"Pape's Cold Compound" then breaks up a cold in a few hours

Relief comes instantly. A dose taken every two hours until three doses are taken usually breaks up a severe cold and ends all the gripe misery.

The very first dose opens your clogged-up nostrils and the air passages in the head, stops nose running, relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Clear your congested head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, contains no quinine—Insist upon Pape's!

## MUST REPORT NEW CASES BY WIRE

Continued from Page One  
a scarlet fever epidemic. This disease is now under control here and only a few cases exist. Measles is now in full force here but no one has a serious case and there is no cause for alarm. Measle cases are greater in number than any other disease.

Local health authorities are well pleased with the existing conditions and with the exception of the two cases of flumonia, the general health rate is far above the average for a city the size of Rushville.

## TERRIFYING DISCOMFORTS FROM SKIN DISEASES

Itching and Burning Eruptions Torture Victims.

If your skin seems ablaze with the fiery burning and itching of Eczema, real and lasting relief can only come from treatment that goes below the surface—that reaches down to the very source of the trouble. Skin-diseases come from a disordered condition of the blood, and search far and near.

you cannot find a blood remedy that approaches S. S. S. for efficiency. S. S. S. has been the market for fifty years, during which time it has been giving form satisfaction for all manner of blood disorders. If you want prompt and lasting relief, you rely upon S. S. S. For expert advice as to the treatment of your own individual case, write to Chief Medical Adviser, S. S. S. Co., Dept. 44, Atlanta, Ga.

## Over Fifty Years Ago

a young physician practiced widely in Pennsylvania and became famous for his uniform success in the curing of disease. This was Dr. R. V. Pierce, who afterwards established himself in Buffalo, N. Y., and placed one of his prescriptions, which he called his "Golden Medical Discovery," in

the drug stores of the United States so that the public could easily obtain this very remarkable tonic, corrective, and blood-maker. Dr. Pierce manufactured this "Discovery" from roots and barks—a corrective remedy, the ingredients of which nature had put in the fields and forests, for keeping us healthy. Few folks or families now living have not at sometime or other used this Golden Medical Discovery for the stomach, liver and heart. Evidence of the wonderful sale of this medicine is recorded in the books of Dr. Pierce's Laboratory in Buffalo, N. Y., showing that over twenty-four million bottles of this tonic and blood remedy have been sold in this country. No one can fight the battles of life and hold his own if his blood is not pure. No one suffers from colds, "flu" and catarrh who has plenty of red blood corpuscles and a good digestion. Catarrh is a stagnation of the blood. Introduce pure red blood into the system, and health is assured.

Dr. Pierce advises you, if you wish to avoid the many germ diseases, to keep your blood in good order. You can obtain Golden Medical Discovery in tablet or liquid form at all drug stores, or send 10c for a trial package to Dr. Pierce's Laboratory in Buffalo, N. Y.

## TOO EARLY YET TO PICK WINNERS

Heze Clark Talks About Ninth Annual High School Basketball Tourney, March 11-13

### 26 DISTRICTS DESIGNATED

State Games Will be Played Between These Teams But Dope is Not Available Now

By HEZE CLARK  
(Written for United Press.)

Indianapolis, Ind., Jan. 29—There are 439 high schools that are members of the Indiana State High School Athletic association and of this number probably 372 will enter teams in the ninth annual basketball tourney. The district tourneys will be held March 5 and 6.

The state has been divided into 26 sections with playing center selected according to geographical location. The winners of the sectional tourneys will meet in the finals March 11, 12, and 13 at Bloomington in the big Indiana University gymnasium.

Schools have been assigned to the various sectional centers by counties with the idea of having about the same number in each tourney. The board of the I. H. S. A. A. will select two officials for tourney and only fair disinterested and competent men will be picked. The schedules will be made by lot after the entries are received. The entries close Feb. 23.

In 1903 the Indiana High School Athletic association was formed. It was a small organization with only a few of the leading high schools included in its membership. Within a few years the association grew in numbers, strength and power until today a school that violates the strict rules of the association and finds it almost impossible to get games. When barred most schools make no attempt to arrange a schedule. This was not true in the case of Crawfordsville high school this year. The Crawfordsville school has a team that the writer believes would win the state high school championship if it could play in the tourney.

Less than twenty years ago just 3 high schools of the entire state had basketball teams of any real caliber and ability. These three were Crawfordsville, Shortridge and Manual Training high school, the two latter in Indianapolis. Now the number is almost one hundred.

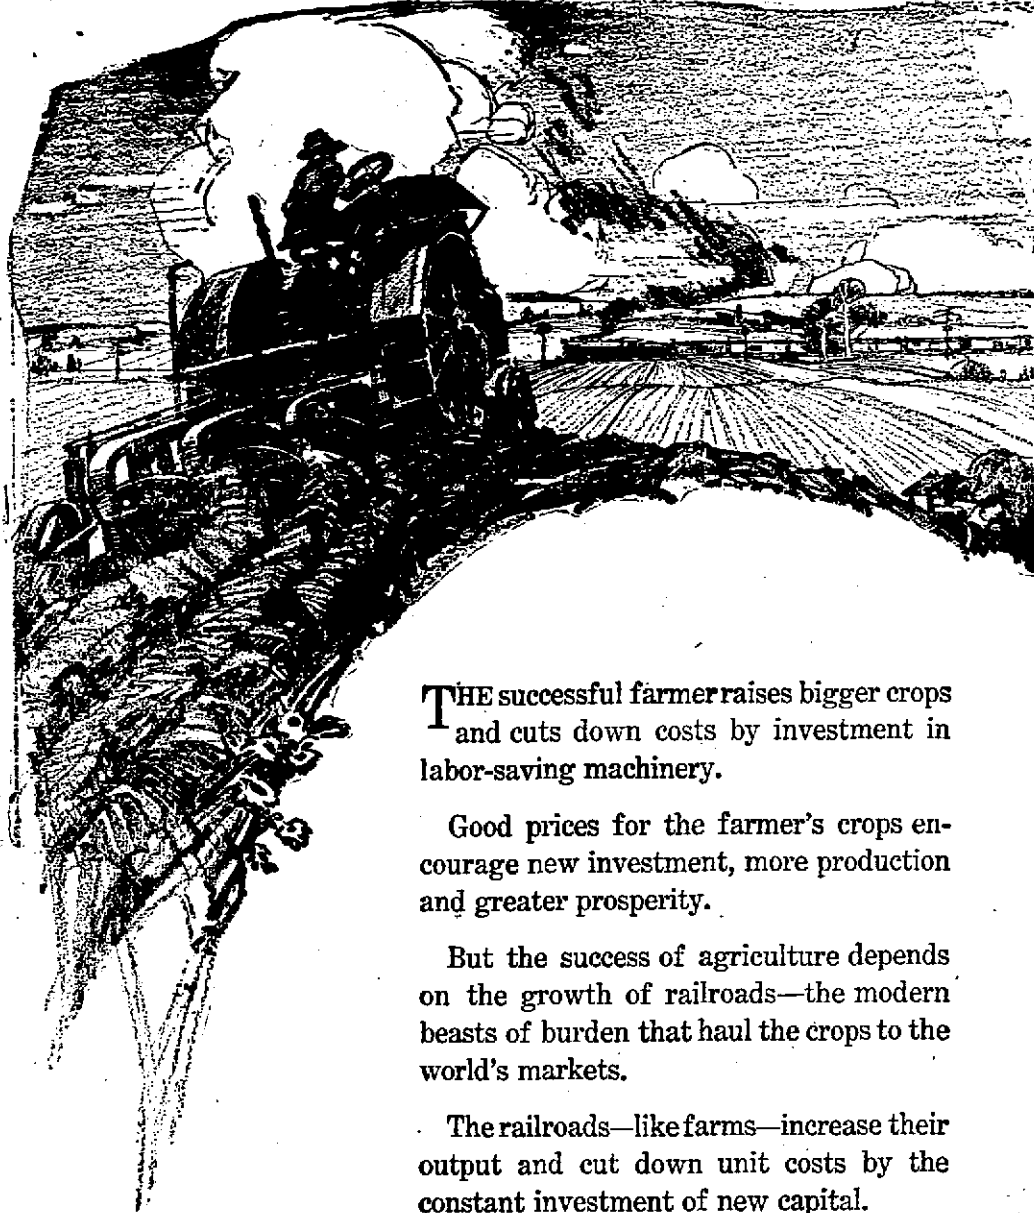

The growth in number of teams and the popularity of the great indoor game is due largely to the fact that the rules of I. H. S. A. A. are so strict. Other states modeled tourneys after the state basketball tourney idea of the Hoosier state. Illinois and Wisconsin have followed the idea and great tourneys are held in those states but they do not equal in number of teams contesting the games played in Indiana. Ohio is trying a tourney under the auspices of Cincinnati university this year.

Invitations have been sent out to the Indiana association from Wisconsin university asking the winners of the hoosier state championship to meet the winners of the Wisconsin title but Indiana authorities have not looked on the idea with favor.

Some high school authorities are favoring a consolation tourney which would mean that the twenty-six teams winning second in the various sectional tourneys would meet in a three day tournament in the gymnasium of one of the big colleges. This would decide many a dispute about the strength of the teams that do not qualify for the state championship games.

To select a possible champion in the various district tourneys this far in advance would be almost impossible but it must be said that some high schools this year that have not shown much strength in past seasons are going strong. While some schools that were strong in other years are again strong this year. Rochester appears to have a good team in the northern part of the state. Vincennes has always had an edge in its district. Franklin's recent one-sided victory over Shortridge high school in Indianapolis caused that school to appear strong. Shelbyville will probably be Franklin's closest rival in games played at Franklin in March. Martinsville a school that always has a team in the state tourney is again good.

The cities where the sectional tourneys will be held and the number of teams that will contest at the various centers follow: Anderson 14; Auburn 14; Bedford 16; Bloomington 15; Bluffton 15; Clinton 15; Columbus 14; Evansville 14; Franklin 10; Greencastle 15; Huntington 13; Indianapolis 15; Kendallville 13; Kokomo 15; Lafayette 14; Lebanon 13; Logansport 13; Martinsville 13;

THE successful farmer raises bigger crops and cuts down costs by investment in labor-saving machinery.

Good prices for the farmer's crops encourage new investment, more production and greater prosperity.

But the success of agriculture depends on the growth of railroads—the modern beasts of burden that haul the crops to the world's markets.

The railroads—like farms—increase their output and cut down unit costs by the constant investment of new capital.

With fair prices for the work they do, the railroads are able to attract new capital for expanding their facilities.

Rates high enough to yield a fair return will insure railroad growth, and prevent costly traffic congestion which invariably results in poorer service at higher cost.

National wealth can increase only as our railroads grow.

Poor railroad service is dear at any price. No growing country can long pay the price of inadequate transportation facilities.

### BIG COAL MINE OPENED

Princeton, Jan. 30—An immense coal mine with a daily capacity exceeding even that of the famous American mine No. 2 at Bicknell is to be opened here within the next few weeks according to definite announcement here. The new mine, according to plans will have a daily capacity of 8,000 tons and will be located within four miles of this city on the Chicago and Eastern Illinois railroad.

### Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet. A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

**PARTIAL PAYMENT  
PLAN TO HELP ALL  
SAVE FOR FUTURE**

Seventh District Starts System  
With Banks to Aid Investment in Savings  
Certificates.

A partial payment plan which is calculated to give a big impetus to investment in the \$100 and \$1,000 Treasury Savings certificates, which always are worth more than you paid for them, is being put into effect by the Government Savings organization of the Seventh Federal Reserve District. This system enables the saver who wishes to invest in sound securities to do so on the installment plan as was done in the purchase of Liberty Loan bonds. Payments may be made on a weekly, semi-monthly or monthly basis, the minimum payments being \$2, \$4 and \$8 respectively. The investor enters into a contract with a bank, to which he makes his partial payments. Under this agreement the bank deposits as a "nest egg" for the investor one dollar for each \$100 certificate purchased from the bank.

"We have found," said W. B. Bosworth, executive secretary of the Seventh District Savings organization, "that there are vast numbers of people who would like to put their money in these Treasury Savings certificates who cannot afford to part with enough to pay for a \$100 certificate in a single payment, so the organization of this district devised a partial payment plan, which was submitted to the Treasury Department at Washington and has received the official sanction of the Savings Division, headed by William Mather Lewis.

"The investor is thus enabled to purchase these Savings certificates on the installment plan and the certificates are turned over to him when he has completed his payments. The bank with which he does business also deposits to his credit in the bank one dollar as a savings account for each \$100 certificate purchased. We feel that this partial payment system will enable many thousands to invest in these Government securities who otherwise would not be able to do so. It also will mean in many cases the starting of bank savings accounts.

"The safety of these securities is a feature that should not be lost sight of. Being registered, they are insured against loss through theft or fire. If one ever needs the money the certificates are redeemable, beginning with the second calendar month after the month of purchase, without the ten days' demand required by the terms of the 1919 Savings securities."

Following is the text of the agreement entered into between the purchaser and the bank he selects:

I hereby enter my subscription with the bank named above for \$..... (Maturity Value) in Treasury Savings Certificates, to be paid for regularly (Weekly) (Semi-monthly) (Monthly)

Payments will begin on ..... 1920, and in no event can be completed later than December 31, 1920.

Purchase Price of \$100.00 Certificates.

If final payment is made in July .....	\$3.00
If final payment is made in August .....	\$3.80
If final payment is made in September .....	\$4.00
If final payment is made in October .....	\$4.20
If final payment is made in November .....	\$4.40
If final payment is made in December .....	\$4.60

Upon completion of said payments you agree to deliver to me the above described certificate or certificates, and for each \$100 certificate so purchased to deposit \$1.00 in your bank to the credit of a savings account with me (or any person I may designate), upon surrender to you of Partial Payment Contract of same date and number as this card.

It is understood and agreed that if I fail to make all payments promptly as above agreed and if any payment shall continue in default for more than thirty days, you may, in your discretion, after due notice to me, by letter addressed as below, issue to me War Savings Stamps and Thrift Stamps equivalent to the sum of all money actually paid in, upon surrender to you of said Partial Payment Contract. It is further agreed that I shall also be entitled at any time prior to completion of payments to a like refund of all payments made, if I so request and surrender the contract.

It is understood that this contract is solely between the bank named above and the subscriber and that no obligation on the part of the United States arises except on the Treasury Savings certificate (or certificates) after delivery to the purchaser.

**FROM POVERTY TO \$200,000.000.**

The importance which the late Henry C. Frick placed on thrift and the habits of saving is clearly shown in the incidents of his career. Mr. Frick, who was called the founder of the industrial growth of Pittsburgh, was born in poverty and compiled an estate which at his death was estimated at fully \$200,000,000.

**"Cootie" Post Of  
American Legion  
At Indiana "U"**

One more organization has made its appearance on the Indiana University campus. Application has been made by a group of university men who saw action in France for a charter for a post of the American Legion. The principle covering the post has been drawn up as follows:

"This shall be known as the 'Cootie' Post—to recall the past and brighten the future.

Membership in this post of the American Legion shall be invitation-al. It is restricted to men who served in a major engagement in the late war with Germany, or who were wounded in action and to those who are students or friends of Indiana University.

Some forty or fifty men in the university are eligible to membership. The following list of members has been announced: Charles F. Thompson, Bloomington; Elmer W. Sherwood, Linton; Kenneth V. Hughes, Anderson; Fred Conkle, Indianapolis; William T. Young, Indianapolis; R. E. O'Brien, Bloomington; Wayne Schmidt, Bloomington; John Taylor, Indianapolis; T. M. Isenhower, Converse; H. M. Barbour, Bloomington; Paul Sommers, Converse; Linn Kidd, Brazil; Dave Wylie, Indianapolis; Lee H. Hotel, Salem; Lee M. Bowers, Huntington; Dan Kauffman, Bloomington; Kenneth Cline, Bloomington; Al Wier B. Ringo, Brazil; William L. Sexton, Rushville; Sydney H. Smith, Martinsville; Andrew Hepburn, Bloomington; Eldon E. Smith, Vincennes, and Raymond Davenport, Bloomington.

**QUICK RELIEF  
FROM CONSTIPATION**

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. No gripping results from these pleasant little tablets. They cause the liver and bowels to act normally. They never force them to unnatural action. Dr. Edwards' Olive Tablets are a soothing, healing, vegetable compound mixed with olive oil.

If you have a bad taste, bad breath, feel dull, tired, are constipated or bilious, you'll find quick and sure results from Dr. Edwards' little Olive Tablets at bedtime. 10c and 25c a box.

**Our Tire Inspection  
Service Saves Truck Costs**

As a Goodyear Truck Tire Service Station we make it our business to save tire money for the truck owners of this vicinity.

We consider carefully the trucking problem of every customer and for each truck recommend the size and type of tire best adapted to its maximum load and maximum speed. We sell Goodyear S-V Solid Tires and Goodyear Cushion Tires because we believe they are exceptionally good and do wear a long time.

We inspect the tires on the trucks of our customers and in many cases take measures to prolong the life of tires, and, in the aggregate, to save thousands of dollars of owners' money.

Such inspection is made at regular intervals—at least once a month—by our salesmen who turn in a detailed report of the condition of customers tires.

If vital recommendations are to be made, these will be by letter to our customer or to the superintendent of his cartage service. Nothing is left to guesswork. This is a real service. It saves a lot of cartage expense.

Let us send a representative to explain still further about our service.

**Goodyear Truck Tire Service Station****BUSSARD GARAGE****GOODYEAR**  
AKRON**Suggestions to Builders**

Indications are that there will be an unprecedented amount of building this year.

The stock in the hands of all dealers is below normal.

The Planing Mill facilities of the country are overtaxed.

Which conditions indicate that prices will be higher later.

*Therefore, if you intend to build anything  
you will save money, get better service and  
secure better material by placing your  
order now.*

Attend to the many preliminary details before the busy season, and avoid the rush and hurry of springtime.

ORDERS FOR SPECIAL MILLWORK, BUILT-IN-CABINETS,  
STAIRWAYS, FRENCH DOORS, SCREENS, AND OTHER  
REPAIRS SHOULD BE PLACED NOW FOR PROMPT DELIVERY

During the season just closed we were compelled to refuse many orders of that character, due to the heavy building operations, but for a few weeks, we will be able to get this class of work out promptly. Anticipate your requirements and assist us in caring for our trade.

### CLARKSBURG

Burney C. Tarplee of North Dakota is visiting relatives here.

Allan Tarplee returned home Sunday from the hospital at Indianapolis. He is improving as well as could be expected.

There will be a lecture at the Christian church Thursday night.

Mrs. James Halsey, John Myers and son Kenneth are ill with the scarlet fever.

The Friendly Circle will meet at the home of Mrs. John Brodie Wednesday evening.

The Christian Endeavor will celebrate its 39th birthday anniversary at the Christian church Sunday night. A program has been prepared.

The Farmer's Institute will meet at the Christian church Thursday. Dinner will be served in the hall over Russell's store.

Miss Susan Tarplee is seriously ill at her home here. Miss Vonberg is acting as her nurse.

Miss Merl Moore entertained the members of the Delta Theta club Friday afternoon.

The Ladies of the Christian church served dinner at the Lawsons sale. They cleared fifty dollars.

Mr. and Mrs. Oscar Holbrook have moved in the tenant house on Dr. C. M. Beall's farm, recently vacated by Mr. and Mrs. John Meyers and son.

# PUBLIC SALE

I, the undersigned, will sell at public auction at my residence 9 miles southwest of Rushville, 3 miles southeast of Homer, 5 miles northeast of Blue Ridge, on

## WEDNESDAY, FEB. 4, 1920

SALE TO COMMENCE AT 10:00 A. M.

SALE HELD UNDER TENT REGARDLESS OF WEATHER

### 24 Head of Draft Horses 24

### 2 Head Registered Imported Percheron Stallions

1 BLACK STALLION—weight 2350. He was first prize of four-year-olds and over and Grand Champion at Indiana State Fair in his 7 year old form.

1 pair bay mares, 5 years old, good workers, weight 3400.

1 DAPPLE GRAY STALLION — weight 2000.

Both of the above named horses are extra good breeders and sure. Here is your opportunity to buy a high class stallion at your own price.

1 pair of dark gray mares, 4 years old, sound, good workers, one in foal, weight, 3100. 1 team of bay mares 6 years old, weight 3400, sound and good workers. 1 dapple gray mare 5 years old, sound, weight 1600, good broke, in foal. 1 think one of the best individuals I ever owned. 1 roan mare 4 years old, sound, weight 1600, in foal. 1 sorrel mare 4 years old, sound, good worker and will mature to 1800. 1 black mare 5 years old, sound, good broke, weight 1450. 1 brown mare 6 years old, sound, good broke, weight 1450. 1 gray mare 3 years old, sound, green broke, making of a good draft mare. 2 three-year-old black draft geldings, sound, green broke. 1 two-year-old dark gray draft filly, sound. 1 smooth mouth driving mare, family broke. 3 dark gray yearling draft colts. 1 black yearling draft colt. 1 brown mare 8 years old, weight 1650, good worker. 1 black mare 6 years old, weight 1500, sound, and good worker. As most people know, I have kept high class imported stallions for several years and have produced the majority of this stuff on the farm, and when seen I feel that you will concede that it is the best bunch of horses you have seen in years in one sale. As good or better than above described. Season paid on all above mares in foal.

MILLER & KEMPLE, Auctioneers. JOHN HEEB, Clerk.  
Lunch to be served by the Ladies of Little Flatrock Christian Church.

## TENANTS TO GET SWEET REVENGE

Profiteer Landlords Will be Held to  
Straight and Narrow Path in  
Paying Income Taxes

TENANTS PAY HIGH RENT.

Information Returns Now Due Serve  
as Useful Data For Running Down  
Tax-Dodgers.

Profiteer landlords will be held to the straight and narrow path in paying their income taxes this spring. For the tenants are doing the driving and holding the whip.

Revenge is sweet to the tenant who has had to dig deep into his earnings to pay a high rental in 1919. Gathering his family around him, he takes his scratchy family pen in hand, searches the ink bottle for that last drop of ink, and with a master-stroke informs the Commissioner of Internal Revenue that he, Bill Brown, of the Hallroom Apartments, paid to John Smith, 13 Profiteer Avenue, Anywhere, U. S. A., \$1200 for his three-room flat during the year 1919.

By gathering these reports from all the Bill Browns who are running themselves ragged to pay their rent, the Internal Revenue Bureau will have in the information needed to see that the Profiteer Smiths pay proper tax or face prosecution.

The information Returns now due covering payments of salaries, wages, rent, interest, and other income serve as useful data for running down tax-dodgers and for checking up millions of returns to see that proper tax is paid.

Large business houses have been faithfully making these information reports for several years and have cooperated whole-heartedly with the government's checking system. The same obligation rests on smaller businesses, and on professional men; also on persons and organizations who employ secretaries, chauffeurs, servants, or persons in any capacity.

The Revenue Law requires the filing of these Information Returns in each case where the total of payments during 1919 to any person, partnership, or fiduciary was \$1000 or more. Forms 1099 and 1096, on which the returns must be made, are now available at the offices of Collectors of Internal Revenue.

The paper on which Bank of England notes is printed is so strong that when one of the notes is twisted into a rope it will sustain a weight of 358 pounds.

## DON'T SUFFER WITH NEURALGIA

Use Soothing Musterole

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief.

Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable.

30c and 60c jars; hospital size \$2.50.

## Satisfied Customers

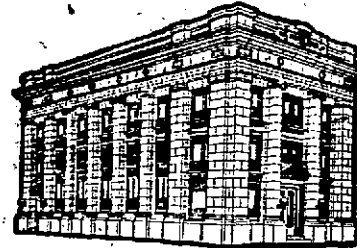

The best product of any business concern, whether it be a factory, a store, a railroad, or a bank is  
**SATISFACTION**

This bank prides itself upon its satisfied customers.

"The Home For Savings."  
RUSHVILLE, INDIANA.

## MILROY READY FOR THE BASKETBALL TOURNNEY

Eight High School Teams Will Meet  
For Championship Games at  
Milroy Tomorrow.

BIG CROWD EXPECTED THERE

Milroy was busy making arrangements for the basketball tournament that will be held there tomorrow, when eight teams from the surrounding high schools will gather to take part in the affair.

The visiting teams will be entertained in private homes, and the town is getting ready to take care of over 300 visitors, who will come from the various parts of the county. The games will be started in the morning, at 9:30 and will continue in the afternoon, with the final game at night.

The team that will take part in the invitational meet will be Manilla, Moscow, Morristown, Arlington, New Salem, Milroy, Fairview and Carthage. Between the afternoon and night games, the high school will have a motion picture show in the school auditorium for the amusement of the visitors.

## INDP'TS PLAY NEWCASTLE

Local Team Goes to New Castle Tonight For Game

The Rushville Independents left this afternoon for Newcastle where they will tie up tonight with the fast Maxwell, or Y. M. C. A. team. The Newcastle five has been stepping fast this year, and have played some big teams including Purdue University and the Cheyenne Indians. The school board here has consented for the independents to use the high school gymnasium for one or two games, and it is expected that a return game will be held here next week with Newcastle or Connerville.

## JANITORS EFFICIENT NOW

Their Service Has Improved 100 Per Cent Since Prohibition.

(By United Press.)

Boston, Jan. 30.—Prohibition has improved Boston's janitor service 100 per cent. The reason, according to employment agencies, is because janitors and cellars naturally go together, and "private stocks" are found in some cellars.

The rush for positions as janitors is in full swing, according to employment agents. "While there's prohibition, there will be lots of janitors", it was predicted. Tenants in many apartments here say the janitors are keeping the steam up better than ever before. The answer of the employment agencies is: "Prohibition".

### I. U. TO ENTERTAIN BIG HIGH SCHOOL TOURNAMENT

Indiana University will entertain the high schools of Indiana next March at the annual State High School Basketball Tournament. After a trial at Purdue University last year, the vote of the Athletic Association decided that Indiana, as the original founder of the tournament idea, should be continued as the promoter of the athletic contests for state high school basketball honors.

The vote of the association was 144 to 77 and a resolution supported by Purdue workers asking that the tournament be returned to that school was defeated when balloted on.

As a place for the holding of the tournament Indiana believes herself to be especially fitted. The gymnasium, considered as the best equipped in the middle west, can care for the huge crowds usually existent with the contests. The situation of the campus, in close proximity to all the fraternity houses, affords the best of housing facilities for the teams. The Booster's Club, an organization of representative men of the campus, has long been accustomed to handling the crowds of the tournament and in arranging entertainments for the visiting teams and supporters.

In this year of the Greater Indiana and the celebration of her one hundredth anniversary, the students of the university will spend unusual effort to make the state tournament a success. The teams of the state will find a ready welcome back to the original tourney grounds where many a game of basketball has been fought out in the past.

### SHORTAGE OF TEACHERS

The great demand for teachers has exhausted the Registrar's list of applicants at Indiana University, and a large number of requests for teachers are still on file.

The greatest demand is for teachers of science and mathematics. But there is an unusual demand for instructors in all subjects, especially of Latin and Romance Languages, since the abolishment of German in the public schools. The university has been unable to furnish a number of French teachers.

## I AM GLAD TO ENDORSE PE-RU-NA

**Glad to Try Anything**  
Three years ago my system was in a terribly run down condition and I was broken out all over my body. I began to be worried about my condition and I was glad to try anything which would relieve me. Peruna was recommended to me as a fine blood purifier and tonic, and I soon found that it was worthy of praise. A few bottles changed my condition materially and in a short time I was all over my trouble. I owe my restoration to health and strength to Peruna. I am glad to endorse it.

## SINN FEIN HAS BIG SPY SYSTEM

Ireland is Literally Honeycombed by  
2 Elaborate Secret Service  
Departments

**WATCH EACH OTHER CLOSELY**

Sinn Feiners Maintain a Highly Efficient Body Which Spies on  
Irish Government

By WEBB MILLER  
(U. P. Staff Correspondent.)

Dublin, (By Mail)—Ireland is literally honeycombed by two of the most elaborate secret service systems of modern times.

The Sinn Feiners maintain a highly organized system of espionage to watch the government while the government employs a corps of agents to spy upon the Sinn Feiners and their secret service men.

The Sinn Fein spy department has reached an amazing degree of efficiency and extends into the innermost councils of the Irish government. Despite Dublin Castle's greatest precautions, the Sinn Fein leaders time after time secure advance information of contemplated action. Carefully guarded secret documents mysteriously turn up in possession of Sinn Fein, and government officials make scarcely a move without Sinn Fein's knowledge.

Owing to the fact that the sympathies of the majority of the people are with Sinn Fein, the government secret service system labors under great difficulties.

To all except the leaders the extent and workings of Sinn Fein spy department is a mystery. The methods by which the information is obtained and distributed is unknown and even the name of the head of the system is not known to the general public. But Sinn Fein leaders admit that the system is organized as a regular department and directed by one man designated as "X." They boast that the government agents do not know his identity and that he has never been arrested.

Some idea of the effectiveness of the department is afforded by the attempt to assassinate Lord French. The government authorities had taken every measure to keep the point of arrival of Lord French secret. Upon arrival in Dublin French always leaves the train at an outlying station—and the station is chosen only an hour before arrival. But in spite of these precautions, the attackers learned the exact route and were lying in ambush. The police authorities declare that some Sinn Fein agent employed either at the Viceregal Lodge or in Dublin Castle must have "tipped off" the arrangements.

Although refusing any details a Sinn Fein leader related to the United Press correspondent several incidents to prove the efficiency of the secret service department.

Among the incidents were the following.

Shortly after the proclamation of Sinn Fein organizations as illegal, the Dublin Castle authorities decided upon a sweeping raid throughout Ireland to round-up all the Sinn Fein leaders still at liberty. The plans were made in greatest secrecy—only a few of the most trusted officials were allowed to know of the proposed raid. The lists of "wanted" leaders were prepared only a few hours before the time scheduled for the round-up. To further guard against leakage, the lists were kept in Dublin Castle until eleven o'clock the night of the raid, which was scheduled for dawn. At eleven they were turned over to the police department with orders to use in the raids only men who could be trusted.

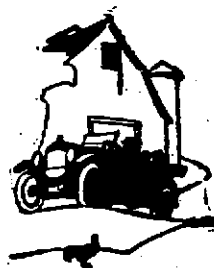

But within an hour the Sinn Fein Warnings went out to every man on the list although the points were widely scattered over Ireland and many were over one hundred miles away.

The lists called for over fifty men—the police found four. The others had received the mysterious tip and fled. In chagrin the Dublin Castle authorities attempted the same raid two days later, hoping to catch the Sinn Feiners unawares, but failed to net a single leader.

The Sinn Feiners smilingly admit they had received an intimation of the forthcoming raid even before the Castle officials started to make up the lists. The tip came from London and was to the effect that about fifty unused cells in Wormwood Scrubs Prison were being cleaned up and prepared for occupancy. The Sinn Feiners jumped to the obvious conclusions, and the cells are still unoccupied.

Another instance of the familiarity of Sinn Fein with happenings at Dublin Castle occurred before the arrest recently of Alderman Tom

## THE CAR OF THE AMERICAN FAMILY

# Hupmobile

Let us see what grounds we have for believing the Hupmobile to be the best car of its class in the world. Well, take the matter of *long life* alone: Isn't it a conspicuous fact that it is almost impossible to "kill" a Hupmobile? And, when you stop to think of it, isn't long life—which means, of course, long-continued, satisfactory service—a matter of prime importance? Here, undoubtedly, you have one very good reason why our belief has now become practically a public conviction.

East First

Kelly, which caused widespread surprise and resentment in Ireland.

Within a few hours after Kelly's name was placed on the Castle "black list" he was warned of the forthcoming arrest. But Kelly refused to hide and submitted to arrest.

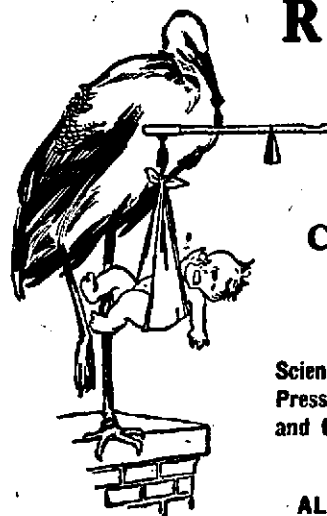

In an interview with the United Press regarding Lloyd George's home rule proposals Arthur Griffith, the acting President of Sinn Fein, incidentally revealed another achievement of the secret service branch.

He alluded to and quoted from a confidential report Sir Horace Plunkett had made to King George upon the proceedings of the Irish Convention.

"By the way", Griffith added, "you might be interested in knowing that the existence of this report has hitherto been a secret. Our agents got possession of a copy of it. I imagine the king and Sir Horace will be considerably surprised. Probably President Wilson will also be surprised and interested in knowing that Sir Horace informed the king of Wilson's interest in the Irish convention and his request to 'be kept privately informed'."

In reply to a question as to the method Sinn Fein uses in sending out warnings to remote points, the Sinn Fein leader admitted they used the telegraphs and added with a significant grin, "So does the government."

## ASPIRIN FIRST KNOWN IN 1900

The Bayer Company introduced  
Aspirin to physicians  
18 years ago.

If you want the true, world-famous Aspirin, as prescribed by physicians for over eighteen years, you must ask for "Bayer Tablets of Aspirin."

The "Bayer Cross" is stamped on each tablet and appears on each package for your protection against imitations. In each package of "Bayer Tablets of Aspirin" are safe and proper directions for Colds, Headache, Neuralgia, Toothache, Earache, Rheumatism, Lumbago, Neuritis, and for Pain in general. Handy tin boxes containing 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monaceticacidester of Salicylicacid.
